

Showbiz Store & Café

The Entertainment Production Resource

Showbiz Store & Café is a unique resource center for the entertainment production community with locations in Los Angeles and New York. Established and operated by Media Services, Showbiz Store & Café is the first destination of its kind that fuses a Wi-Fi hotspot café with retail and educational uses designed specifically for the television, film, and commercial industry. In addition to carrying the popular Showbiz Software line of products, Showbiz Store & Café offers computer hardware sales and service, production supplies, and an entire spectrum of industry software and books at the absolute best possible prices.

Showbiz Store & Café

Software demos, onsite computer rentals, and meeting rooms help filmmakers create a budget, script, or storyboard whenever inspiration strikes, while the café provides a relaxed environment to meet and mingle with other professionals, emerging artists, and students. With customer service as its foundation and industry related events featuring scheduled appearances of authors and producers as well as educational seminars, Showbiz Store & Café has become a valuable production resource and dynamic destination for the entertainment industry.
