

TELEVISION & THEATRICAL RESIDUAL SERVICES

Media Services

Media Services offers the most efficient, cost-effective method of managing your residual obligations. Our residual experts become integral members of your team. With our state of the art residual system, we are responsive to your needs.

- Media Services provides a detailed Residuals Schedule. This can be a great tool for forecasting residual obligations.
- Our automated system is able to process high volume in a reasonable time frame.
- Our experienced and knowledgeable coordinators are able to assist you with all your residual needs.
- We will process all your made for pay television DGA residuals.
- There is no set up charge for your production (if residuals are processed through Media Services.)
- Media Services prepares and files all applicable federal, state and union reports and contributions.
- Documented invoices issued for each residual payroll.
- Internet residual history access and paperless reporting.
